A Consortium of Zero Error Process Instruments

Heavy Duty Industrial Crane Scale

Features & Technical Specification:

- New Circuit Design, longer standby time & more stable
- Quality in One sensor design, weighing fast, accurate & stable
- High quality sealed, maintenance free rechargeable batteries, shock-resistant high-strength aluminium alloy chassis
- Stability: The perfect program, do not crash, do not hop
- U.S. Fashion appearance, patented design
- Ultra-Bright Digital Display character height 30 mm
- Operating temperature 0°C to 45°C
- Province: Handheld remote control, convenience < 20 mm
- All Models are approved by Govt. of India
- Legal Metrology Certificate will be provided
- Calibration Certificate from Weights & Measures will be provided
- Available Ranges 3 ton, 5 ton, 10 ton & more
