Mini Table top weighing Scale

Features & Technical Specification:

- High Internal Resolution
- Bright LED Display
- Software Calibration
- Long Battery Backup (Battery included)
- Power Saving Mode
- Overload Protection
- Pole type Display
- Rustproof Body
- Power Supply 230 V AC ± 10%, 50 Hz
- Operating temperature 0°C to 45°C
- Power consumption 10 W
- Ingress Protection IP66
- All Models are approved by Govt. of India
- Calibration Certificate from Weights & Measures will be provided
- 1 year warranty
- Capacity 20 kg
- Pan Size 175 × 225 mm
